Seminar UNIMIX Application in Cosmetics Production 研讨会：UNIMIX在化妆品生产的应用

Presentation / Language. English & Chinese.

Place/地点 

EKATO (Shanghai) Commercial & Trading Co., Ltd

伊喀拓（上海）商贸有限公司 上海 松江区 新润路388号3号楼

In-person
seminar

March 19-20,
2024

Day 1: 9:00 am - 6:00 pm
Day 2: 9:00 am - 6:00 pm

Free of
charge

This two-days seminar will provide an introduction of EKATO UNIMIX emulsifications technology applied to cosmetic and personal care products. EKATO's innovative, advanced mixing technologies for enabling you to improve your process efficiencies greatly while maintaining the high quality of your products.

During the meeting, UNIMIX mixing demonstration with real products will be presented by our experienced EKATO R&D specialist. Specific optimization of your production practice will also be discussed during the seminar.

研讨会将介绍伊喀拓 UNIMIX应用于化妆品和个人护理用品产品的均质乳化技术。伊喀拓创新的、先进的技术能大大改进您的工艺效率，同时保持产品的高品质。

会议期间，将由伊喀拓德国工艺研发专家进行现场生产演示，与您共同探讨生产实践中的具体工艺优化。
